Index to the American Eagle **1842-1845**

Compiled by Joyce McKibben
University of Memphis Libraries

The Memphis Eagle was founded in 1842 as a weekly Whig paper known as the American Eagle. Its chief rival was the Democratic-leaning Memphis Appeal.

In late 1842 the paper began putting out a daily paper, the Memphis Eagle, while continuing the weekly American Eagle. The weekly paper was a compilation of articles that appeared in the daily paper. For that reason, I switched over to indexing articles in the daily Memphis Eagle in 1846. In late 1851 the Eagle merged with the Memphis Enquirer to become the Memphis Eagle-Enquirer.

We have the following issues on microfilm in the University of Memphis libraries:
