DIVISION OF PROPERTY ASSESSMENTS

JULY 1, 2018 - JUNE 30, 2019

To achieve success in administering Tennessee's Property Tax System, we hold to our Core Values in everything we do.

HONESTY - INTEGRITY - ACCURACY - RELIABILITY - ACCOUNTABILITY

The Core Values of the Division of Property Assessments are those values we hold which form the foundation on which we perform our work and conduct ourselves. We have many values, but some of them are so crucial, so important to us that throughout the changes in society, government, politics, and technology they are still the Core Values we will abide by. In an ever-changing world, Core Values are constant. Core Values are not descriptions of the work we do or the plans we implement to accomplish our mission. The Values underlie our work, how we interact with each other, and which strategies we employ to fulfill our mission. The Core Values are the basic elements of how we go about our work. They are the practices we use every day.

The mission of the Comptroller's Office is to make government work better.

OUR GOALS ARE ...

- To ensure the professional administration of property tax programs in all taxing jurisdictions pursuant to Tenn. Code Ann. §§ 67-1-201 through 67-1-514, and Tenn. Code Ann. §§ 67-5-101 through 67-5-1705.
- To ensure a standardized record-keeping system for all property tax records through the continued use of the division's computerized appraisal and tax billing system.
- To ensure an up-to-date and equitable property tax base in all taxing jurisdictions through continuing county reappraisal efforts and the maintenance of the division's computer assisted mass appraisal system, pursuant to Tenn. Code Ann. §§ 67-5-1601 through 67-5-1603.
- To ensure a high degree of competency and a broad base of appraisal knowledge through the division's Assessment Certification and Education Program.
- To administer the Property Tax Relief Program in a manner that all qualifying low-income elderly, disabled, disabled veterans and surviving spouses of disabled veterans will receive timely and accurate rebates pursuant to Tenn. Code Ann. §§ 67-5-701 through 67-5-704.
- To monitor and assist local jurisdictions with the Property Tax Freeze program pursuant to Tenn. Code Ann. § 67-5-705.
- To accomplish appraisal ratio studies in every county as determined by the State Board of Equalization and pursuant to Tenn. Code Ann. §§ 67-5-1604 through 67-5-1606.
- To monitor on-site review and valuation of properties, provide valuation assistance, develop valuation indexes and audit assessor performance in accordance with Tenn. Code Ann. § 67-5-1601.
