Vertical files

Title: Vertical files
Collection No: MSS. 495
Extent: 23 cubic feet
Inclusive Dates: 1813-2023

Abstract: The collection is composed of items collected by Special Collections on a wide variety of subjects including clippings, brochures, booklets, pamphlets and other publications.

Processed by: Gerald Chaudron, 2019-2024
Access: Open to all researchers.
Language: English
Preferred Citation: Vertical files, Special Collections Department, University Libraries, University of Memphis.

Publication date: 2024 June
Scope and contents

The collection includes a great variety of individual items—mostly publications such as pamphlets, brochures, booklets or other ephemera—or small groups of related items collected by the Special Collections Department since its establishment that do not warrant a collection of their own.
